

17" GRIDDLE W/HOOD

★★★★★ 4.7 [250] [Write a review](#)

Make cooking outside even easier with the Blackstone 17" Tabletop Griddle. The portable design lets you take everything you love about cooking on a Blackstone with you. Whether it's to the tailgate, campsite, or park, this griddle will help you make all your favorites. It quickly heats up with 12,000 BTUs through an "H" style burner to provide even heat distribution for optimal cooking across the whole griddle. The Rear Grease Management System allows you to clean up quickly, and the hood helps to keep it clean till you are ready to cook again. This griddle will help you cook outdoors without the compromise!
